8" (203 mm) High-Leverage Diagonal-Cutting Pliers - Angled Head

Cat. No. D248-8

Product Features

Angled head design for easy work in confined spaces.
High-leverage design. Rivet is closer to the cutting edge for 36% greater cutting power than other plier designs.
Short jaws and beveled cutting edges permit close cutting of wire.
Induction-hardened cutting knives for long life.
Hot-riveted joint ensures smooth action and no handle wobble.
Plastic-dipped handles for comfort and ease of identification.
Custom, US-made tool steel.
